

Stoughton Conservation Club

984 Collins Road • PO Box 366 • Stoughton Wisconsin 53589

Scholarship Application Form

This scholarship is only available to children or dependents of current Stoughton Conservation Club members in good standing. Qualifying members must have a minimum of 2 year of previous membership. Individuals may receive this scholarship a maximum of two times. High School graduation is required prior to award.

The club encourages and supports those students who choose to commit their studies and eventual careers in conservation and preservation of the environment. This does not limit opportunities for a broad selection of endeavors. For example, an auto mechanic may participate by making vehicle emissions as clean & efficient as possible. The club is committed to assisting with higher education goals for qualified applicants.

All scholarship applications must be complete as submitted. The submission deadline is May 1st of each year. Post marks will be used to determine the delivery date. Late, incomplete, illegible, or partial applications will not be considered.

Recommendations for awards will be made by the club's scholarship committee. The board of directors must review and endorse all recommendations prior to final approval. Results will be announced directly to the recipients and/or posted on the club website.

Please include the following required information and documents with your application:

Required Application Information:

- Your name & address
- Your parent's (member) name, address & phone number
- Your parent's initial membership date
- High School transcript or similar academic school record
- ACT, SAT, or similar testing information that may be available.
- GPA and class rank
- Intended higher education goal, technical school or college. [Registration must be confirmed prior to award.]
- Current college or technical school students should provide transcript to date with current information about credits earned, GPA and curriculum intention, with major emphasis (if any).
- List significant participation in civic activities, sports, volunteer activities, charity or other notable endeavors.
- List special interests, activities, leadership and academic honors that may be of note.
- Include a written statement of 300 words or less indicating your educational and social goals. [Be clear about how your course of study will enable you to achieve your stated goals and contribute to a community.]
- Submit 3 letters of recommendation from a variety of sources. [A teacher, parent, employer, community leader or other person significant in your life.]

Be creative, sincere & honest.

Best of luck to you and with your goals in life.
